Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116,
98-170 and NSD File No. L-00-72.

Dear FCC:

I am writing to complain about the proposed changes to the Universal Service Fund and requesting that the FCC investigate this matter further before changing the current policy. Your proposed \$1.00 per month charge for all wireless phones will directly impact my ability to retain my wireless service.

I do not think it is fair to charge EVERYBODY \$1.00 dollar regardless of how they use their wireless phone, especially for a low-volume user that relies on wireless service for safety and security, not interstate calls. The current policy is fair, based on interstate usage, and should be left alone. Please do not penalize us. Keep this fair.

Sirs,I am 76 yrs of age.I am a widow living on a fixed income which is not keeping up with inflation.I have my phone for emergencies primarily and do not feel it is necessary to inflate yet another baisic need of the elderly.
Please take this into consideration.
Thank you,Joyce E.M. Brownlow
